

They don't teach Parenting 101 at school, do they? Sadly, no. But here's the next best thing.

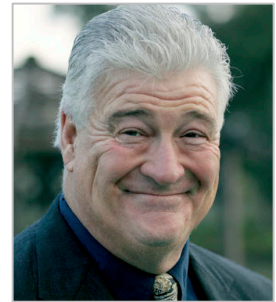

Empowering Parents for the Road Ahead

A day of learning for grade 4-8 parents paving the way for academic success in middle school, high school, and beyond.

Keynote: Parenting in the Cyber Age with Emotional Intelligence

MICHAEL PRITCHARD is a nationally-acclaimed youth motivator, comedian, and keynote speaker. For more than 25 years, he has been speaking to schools, parent groups, and corporations on the topics of communication skills, diversity, bullying, and conflict resolution. His seven educational series for PBS, including *The Power of Choice*, *You Can Choose*, and *Big Changes, Big Choices*, have been seen by millions. For his work in promoting nonviolence with youth, he was awarded an Honorary Doctorate in Humane Letters from Hartwick University.

Choose 3 of 24 Breakout Sessions (full list online)

- Provide parents real-world information and practical strategies.
- Help parents better understand their children and how to positively impact their physical, emotional, and academic well-being.
- Empower parents to partner successfully with their school-aged children for the road ahead.
